**ADVISER:** I am a Partner in the Business Restructuring team in Manchester.

I have experience in all aspects of business turnaround and rescue as well as formal insolvency appointments and have distressed and underperforming companies, their shareholders, lenders and other stakeholders.

I have advised in numerous multi-bank workout schemes and formal appointments across all industries including government bodies, retail, recruitment, motor, manufacturing, care, hospitality and leisure.

My aim is to provide a solution and the necessary rescue, reorganisation and refinancing recommendations. She has advised many stakeholders on debt rescheduling and solutions involving both formal and informal procedures.

I hold significant healthcare advisory experience, in particular advising landlords, operators, lenders and regulatory bodies in respect of restructuring matters, and has taken a number of formal insolvency appointments for related restructuring events.

**RESTRUCTURING:** Licensed Insolvency Practitioner

**ACCOUNTANT:** Member of the Institute of Chartered Accountants in England and Wales
